Please complete the volunteer task preference form attached.

The Elmira Lawn Bowling Club operates almost entirely without paid staff, so all members are expected to perform volunteer tasks.

Indicate all tasks for which you are willing to assist. The volunteer coordinator team and committee chairs will schedule your volunteering based on your availability and will endeavour to schedule tasks according to any stated preference. However, you may be asked to assist in other areas where additional volunteers are needed.

Note that many of these tasks are shared. For example, if you volunteer for greens mowing, you might be asked to participate once per week; if you volunteer to do clubhouse vacuuming, you might be asked to look after, say, the month of July.
